## PRESIDENT'S MESSAGE

Greetings Eagles International members: Today is October 27, as I write this it is 28 degrees and ice is everywhere outside here in Midland Texas. What a crazy year.

Since our last newsletter we have had two rallies. One in Kansas and one in Missouri. The first one in Kansas was put on by Mike and Susan Groves and was a blast. I believe there were 10 coaches. It was at Crawford State Park that was built by the Civilian Conservation Corps in 1940, by hand. We had a fire going all the time which helped some of the stories seem true. We did something every day. To start off Mike cooked a big pot of chili that night then Susan played the guitar and sang. We ate lunch at Chicken Mary's and then went and saw Big Brutus, you'll have to Google that, too much typing. The girls did stuff and the guys went to the fish hatchery. We went to Fort Scott, a real fort, then to a museum to see "Unsung Heroes", then a trolley ride of Fort Scott, the town. I have to say the biggest thing to me was to see the military cemetery.

Wednesday Oct. 7<sup>th</sup>, we caravanned to Branson Mo. We got several good looks and thumbs up. Byron and Betty Pigg put on this rally and did an excellent job. We had sourdough pancakes made by Mike and Susan Groves and then catered BBQ that evening. Friday the girls did stuff and the guys went to Byron's for an Eagle parts auction. The parts were donated by Wayne St. Onge. (continued on next page)

(President's Message continued)

After the auction we decided to give Wayne the money and make him an honorary member for all he has done for the club. He thanked us a lot. That night we had pot luck. As I type this it seems like we did an awful lot of eating. Those who choose to went and saw shows in town. Seems like there were about 20 coaches at this rally. All the coaches were top notch, but the people were even better.

The next time to get together will be at Quartzsite AZ. Jan. 14 2021.

Safe travels, Marty Golden, F299092

## **QUARTZSITE RALLY**

We will have an Eagle gathering at Quartzsite AZ beginning Jan. 14, 2021.

It will be in a different place this year.

From Quartzsite go North on Hwy 95 seven miles and turn east on Plomosa Rd. go about 3 miles and look for Eagles.

This does not cost anything but you need to get a 14 day permit from BLM when you turn onto Plomosa Rd.

This is an opportunity for Eagle members to get together. It's not a rally put on by anyone. Buck Bolding does not live far from there and will be there. His number is 360-722-1887.

## **WES STURGIS**

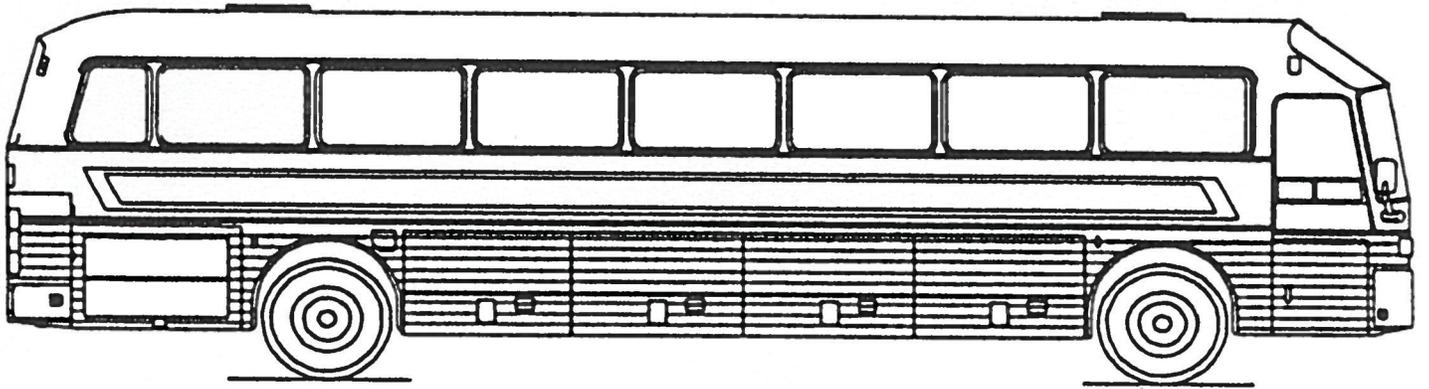

We lost long time member Wes Sturgis this year. Wes always had a smile on his face and a questionable joke.
